Introducing Our New...

1/24 FCR-F5 GT-1 RTR And Super Starter Set (TRRS Legal)

#433E

The FCR-F5 GT-1 combines the success of our FCR Entry Level Spec Racing concept with the handling and performance of our durable Flexi-5 Chassis. These cars feature Mercedes CLK GT-1 bodies with new decals that include headlights, grilles and numbers. They are built to TRRS Specs (Tri-State Road Racing GT-1 Series), see more information at www.trrsweb.com. They are easy to drive, very reliable and competitive. Use for TRRS Class Racing or you can start your own FCR Race Series using New FCR-F5 Rules that are included with RTR Cars and Starter Sets.
